Nancy Meadows was a wonderful pompon coach, teacher, coach mentor and dear friend of the campers, coaches and staff of Mid American Pompon. Nancy made great contributions to the sport of pompon and truly believed that Mid American Pompon Summer camp was the most essential piece in establishing a unified and talented pompon team. In her memory, a scholarship fund has been established for those team members who may not be able to participate in our summer camps without financial assistance.

Application form should be completed and submitted by coaches only on behalf of the candidate.

Thank you.

Applications should be sent or emailed directly to Karen Blazaitis, Mid American Pompon, 24425 Indoplex Circle, Farmington Hills, MI 48335 (Please mark on envelope Personal & Confidential) or Karen@pompon.com.
