

Hello All Star Students and Parents~

What an exciting evening we had tonight with our placement class! Melissa and I were thrilled to see so many familiar faces back for class, as well as many new friends. We have selected the following teams to attend the first week of classes. After the first week, if we determine that a student needs to be moved to a different team, we will contact you directly.

The teams were selected according to which students performed best together as a team. The factors that determined the teams were skill level, age, how fast the students could pick up the material, retention, and showmanship.

We also feel that many students will thrive and work on some specific skills on the team that they are now on, and may be able to move onto the next level by the next session of classes. Remember that age is not necessarily the determining factor when it comes to placement.

We will be handing out more information during this first week of classes which will include performance information, a commitment sheet that your parents will need to sign, and an All Star expectation sheet. Remember that as an All Star you are expected to have perfect attendance in All Star class, come to class prepared with excellent knowledge of your routine, have your hair pulled back, and have your shoes on prior to the start of class. You are also expected to be respectful to your instructors and other students, and work to the best of your ability to contribute to the success of your team!

Again, we are looking forward to an exciting session, and look forward to working closely with you!

Sincerely,
Danielle Adam
