You may call, write, or E-mail (Julie@pompon.com), prior to your camp session.

All Star applications are to be turned in at camp with the \$10 application fee. Please do not mail these to our office.

Arrival and Check in at Davenport University

Davenport University will be allowing teams to stay the night before camp if they wish to. The cost is \$43 per person for the overnight stay and includes breakfast. Check-in with the Davenport University and Mid American staff will be from **6:00—7:30 p.m.** in front of the South Hall Living Center. This is the only time that the staff will be available for check in. Please do not plan on arriving earlier or later, as your keys will not be available. Coaches, **not the MAPP staff**, are responsible for all supervision for early arrival campers.

Registration for teams arriving on the first morning of camp will be held from 8:00 - 9:00 a.m. in front of the South Hall Living Center. If you arrived the night before, you do not have to check in again; you will get your camp materials at the 10:45 Coaches Welcome Meeting.

Upon arrival at camp, the coach should report to the check in table. Please do not have your team members unload their belongings until you (the coach) have checked in. Depending on where your rooms are located, there may be other parking areas that will take you closer to your rooms. Please pick up a copy of your rooming list which will have room numbers on it from our staff. Then have your team members line up according to what room they are in and make their way to the Davenport dorm key distribution table. Davenport staff members hand out all of the dorm keys to each individual. Lining up with their roommates will make this process run extremely fast! After they have received their keys, they can start to move into their rooms. They should also take one copy of the daily camp schedule for each suite. **Coaches must also check in with MAPP staff at the Student Center following the receipt of room keys.**

Campers and coaches are required to check out of their rooms prior to the final day events (events begin at 9:30 am). Please make sure that your parents are aware of this. A charge of \$35.00 will be assessed for any lost keys. This is due upon checkout on the final day prior to your team's performance.

The dorm rooms are expected to look the same upon checkout as they did at check in. Furniture must be in the correct position, and all garbage must be in garbage bags/cans. If rooms are unsatisfactory, teams will be called back to the dorms to clean their area prior to their performance. Door decorating IS allowed at Davenport; however, decorations must only be on the doors (not on the walls), and blue painter's tape must be used. Under NO circumstances should pins be used on walls or doors! **NO STICKERS!!**

Description of Special Events and Activities

For those who are new to camp, here is a brief description of some of the activities that your team has the option of taking part in.

THEME DAYS

Day 1 - School Spirit Day

Day 2 - Hip Hop Day

Day 3 - Throw Back Day

Teams are welcome to coordinate their outfits or accessories to match the theme of the day, but this is not required. Our staff will add to the fun with themed music throughout the day.

POM PALS

While at camp, your team will be assigned a Pom Pal team. This is a great way for campers to get to meet girls from other schools, and for coaches to network. Pom Pal teams often make up cheers together, and show some extra support to each other throughout the camp. Pom Pal and Staff Sister assignments will be posted on our website 2 weeks prior to your camp session.

TEAM OF THE DAY

Each team will be announced with a brief description of their team on one of the three days at camp. This is one way that we share ideas about team unity, and allow the teams at camp to learn more about each other. Coaches should fill out the Team of The Day form prior to camp. ALSO, teams have the option of performing a 'just for fun' team of the day performance on one of the nights at camp. These can be skits, dance routines, etc. Maximum routine length is 3 minutes. Get creative, and have fun with your team of the day performance!

SENIOR KICKLINE
