If a tie still remains, the highest score in "Choreography" will receive the higher placing.

**TIME LIMIT:** 3 1/2 minute maximum for all routines including entrance and exit. There is a 1 minute & 45 second minimum time limit for any division. **A STRUCTURED ENTERENCE AND EXIT IS NO LONGER REQUIRED! Timing will begin with the first note of the music and end as the team is exiting the floor. Any team using small props for the High Kick division will have a maximum of two minutes to set up and remove their props. A five point deduction will be assessed for any team that exceeds the allotted time.** The floor at The Dow Event Center is a standard size basketball court.

**ORIGINALITY:** Mid American Pompon considers "original" to be movements that were created by your team. **Choreography learned at camps, taken from ESPN, other competitions, music video's, movies or television shows will not be considered in a teams original score**. Points may be deducted at the individual judge's discretion for movements they feel are not originated from your team.

**MUSIC:** Music is required for all routines. A representative from the team will be asked to bring a mp3 player (i.e. ipod, galaxy player, etc.) with the team's music on it ready to play. The mp3 player will be plugged into our sound system but the coach/representative will be responsible for choosing the track and pressing start/play and stopping the music for their team. As a back-up, please bring 2 copies of your music to the competition on a CD. Please refer questions regarding this process to Jillian at jillian@pompon.com. Please use good judgment in the selection of your music. Teams that select music that is inappropriate or contains sexual overtones or profanity may be disqualified from award placing. VOLUME LEVEL - the volume level of your music must remain consistent, so that the volume need not be adjusted once it has been set at the beginning of your routine. A short segment of your music, approx. 20 seconds, will be tested at the main table in the arena from 9:00-10:00 a.m. on a first come first serve basis. For the afternoon teams, music will be tested immediately following the final collegiate High Kick performance, and prior to awards.

**QUEUING:** Any team being queued by their coach during their performance, will receive a 5 point deduction. Examples of queuing; clapping in order to keep the team in time with the music, counting out loud for the team, etc...
