

ELEVATE YOUR ROUTINE WITH TEAM TRAINING

Team Training

Teams can take advantage of Mid American Pompon's pom experts by scheduling a team training session. During these sessions, teams will be provided constructive critiques and suggestions to help them prepare for camp, the upcoming season, or competition. Trained staff members will help teams clean-up current material, work on skill building and form, increase stamina, and fine-tune pom or dance basics. Sessions can take place at Mid American Studio or at the team's school.

*JULIE HOBBS-JULIAN OR SARAH GEROUX: \$75/HOUR
