

REGIONAL & STATE CHAMPIONSHIPS

SPECTATOR GUIDE

NO RECORDING

Please do not record at State Championships. MAPP will deduct up to 5 points from teams that video record at competition. Photos are allowed.

WWW.POMPON.COM/STATECHAMPS23

ON COMPETITION DAY:

Doors will open for spectators later than for team members.

This is to assist teams with getting settled prior to audience being present. Please plan ahead.

Entry ticket is CASH ONLY at Regional Competitions.

Tickets at State Championships can be paid for with cash or card.

Please do not save seats.

We have many excited spectators hoping to snag great seats. Please do not block off an extensive amount of seating for those that are not present.

HOW IT WORKS

REGIONALS

All teams will perform their competition routines and 3 MAPP Certified Judges will allot points according to our Scoring Categories. Teams that score above the needed % of the total possible points will advance to State Championships.

STATES

Teams will perform their competition routines and will be scored by 5 MAPP Certified Judges in comparison to the other teams in their respective category. Each team will receive a placing based upon their category and their scores.

Bags (purses, team bags/backpacks) are allowed at both Regional and State Championships. These items may be searched at venue discretion.

LIVESTREAM

Livestream tickets for 2023 State Championships are available on our website through 828 Studios.

PHOTOS

Performance photos will be available for purchase at State Championships ONLY. They will not be available for purchase after competition ends.
