

# MID AMERICAN POMPON SUMMER CAMP: SPEED LEARNING

## Speed Learning: Routine Scoring Categories

### APPEARANCE: 10

Costuming should appear clean & tailored. Does not necessarily have to be uniform between team members, but should not detract from routine.

Hair should be pulled back off the face. Any hair pieces should be securely fastened. Poms should appear clean & new.

### KNOWLEDGE: 10

Team completes speed-learned routine with relative ease, executing movements that were instructed and maintaining poise throughout.

### OVERALL: 10

Judges use this category to indicate their overall impression of each team's performance. Other previous categories are condensed into this score, which may include mistakes, execution errors, showmanship, etc.

### RHYTHM/TIMING: 10

All team members should be executing the movements at the same moment. The team remains on beat with the music throughout the routine.

Cleanliness & uniformity with the route between movements will help in this category.

### KICKLINE: 10

Pointed toes, extended legs, powerful height, stable arm connection, controlled posture, proper form, unity, and difficulty.

### FORMATIONS: 10

Formations should be evenly spaced. Transitions should be smooth and organized, and should flow seamlessly. Team members should arrive in new formation quickly & simultaneously.

### SHOWMANSHIP: 10

Smiles and enthusiasm, poise, showmanship, audience interest, eye contact, and energy. No speaking, singing or counting.

### EXECUTION: 10

All movements are completed as they were instructed by MAPP Staff.

### FORM: 10

Team performs with proper posture and body positioning. Placement of arms, legs, head, feet, hands, etc - it is all important in this category!

## Speed Learning: Kickline Scoring Categories

### HEIGHT OF KICKS: 10

High kicks are above eye level across the entire team. Waist and low kicks are the correct height.

### UNITY OF KICKS: 10

All kicks hit their highest and lowest points simultaneously. Smooth and even timing throughout. All levels are even between team members. Even rhythm and controlled bounce.

### FORM OF KICKS: 10

Proper posture, meaning core is engaged, shoulders are pulled back and down, chin is tilted up, and chest is open. Pointed feet and straight knees allowing for nice clean lines. Fans and angled kicks are properly placed.

### KNOWLEDGE & SHOWMANSHIP: 10

Team performs movements as instructed. Precise head placements. Smiles and showmanship throughout.
