

MID AMERICAN POMPON SUMMER CAMP GUIDE

Thinking about bringing your team to a Mid American Pompon Summer Camp? We'd love to have you! Here are some fun, quick facts about Pom Camp - we can't wait to see you this summer!

4 ROUTINES

Each day, your team will learn a new pom routine along with a section of kickline. At the end of Day 3, you'll have 3 pom routines and 1 long kickline ready to perform this Fall!

NIGHTLIES

Each night, teams will perform the routine learned that day at a mini competition we refer to as "Nightlies"!

SKILL LEVELS

The Advanced Field is recommended for established Varsity-level teams. The Intermediate Field is recommended for Middle School, JV and new Varsity teams!

FINAL DAY

The 4th & final day of camp is your time to shine! Each team brings an original routine to compete with in front of friends, family, and trained judging Staff!

SCORING

At both Nightlies & Final Day events, teams are judged against a points scale - not each other! So, multiple teams will place 1st, 2nd and/or 3rd.

MAPP STAFF

Each team is paired with 1-2 members of MAPP Staff, an elite team of college-aged pommers trained to provide mentorship, instruction, and bonding!

THEMES

Days 1-3 of camp are themed, and teams will often coordinate their daily outfits to match this! Day 1 is always School Spirit Day, and the other 2 themes are voted on by the Coach Advisory Board. Themes are announced in May!

SENIOR KICKLINE

The Seniors on each team are invited to compete with their own original High Kick-style routine against other teams' Senior classes on the Final Day!
